Standard performance equipment		
Regenerative braking system	Electronic stability and traction control	Independent air suspension with 4 ride heights
Dynamic brake support	Kinetic roll control	Tire pressure monitoring system
Brake hold		
Standard exterior equipment		
LED front light bar with RGB design	Rear fog lights	Underbed storage
LED stadium headlights	Illuminated door sills	Rain-detecting variable intermittent wipers
LED brake and taillights	Power folding side mirrors	Bumper-matched trailer hitch
LED ambient lighting	Heated auto-dimming side mirrors	Two sliding tie down loops
LED rear lightbar	Power front trunk release	Rivian Portable charger
LED entry lights	Power split tailgate release	Tire mobility kit
Lightbar charging indicator		
Standard interior equipment		
12.3" driver display screen	Panoramic glass roof	Garage door opener
15.6" infotainment screen	Heated steering wheel	Wireless charging for up to 2 phones
6.8" rear screen	Heated 2nd and 3rd row seats	8 USB-C charging ports
Rivian navigation	3rd row arm rest storage with USB-C	3 120V two-prong outlet
Voice assistance	60/40 power split folding second-row seats	100% recycled microfiber headliner
Hands-free Bluetooth® interface	Power tilt and telescoping steering column	Integrated door flashlight
Sliding/reclining second row seating	Dual zone automatic climate control	E-latch door release
Heated and ventilated front seats with memory settings	Pre-entry climate control	Ignition-free drive
	8-way power driver and passenger lumbar adjustment with memory settings	
Standard safety and driver assistance features		
6 front-row and 2 side-curtain airbags	Automatic High Beams	Lane Departure Warning
12 ultrasonic surround sensors	Blind Spot Monitoring	Lane Keeping Assist
10-camera surround view system	Forward Collision Warning	Rear Cross-Traffic Warning
Adaptive Cruise Control	Gear Guard Security System	SOS emergency response
Automatic Emergency Braking	Highway Assist	360 View

1. Prices shown do not include all applicable taxes and fees.
2. Actual vehicle capability will depend on selected options and trim. Torque, horsepower, and acceleration timing estimates vary based on battery, tire, drive modes, vehicle load and weather. All range estimates are based on a Dual Standard with 20" All-Season wheel and tire or Dual Large, Dual Max, Tri Max with 22" Sport wheel and tire. Official EPA values are noted — some range estimates are preliminary estimates based on the EPA test cycle and are not official EPA values. The EPA estimates range through a series of standardized lab tests that mimic real world conditions. Factors including tires, drive modes, HVAC settings and accessories can all have an impact on range.
