## Standard performance equipment

Regenerative braking system	Electronic stability and traction control	Independent air suspension with 4 ride heights
Dynamic brake support	Kinetic roll control	Tire pressure monitoring system
Brake hold		

## Standard exterior equipment

LED front light bar with RGB design	Rear fog lights	Rain-detecting variable intermittent wipers
LED stadium headlights	Illuminated door sills	Gooseneck extendable tailgate
LED brake and taillights	Power folding side mirrors	Bumper-matched trailer hitch
LED ambient lighting	Heated auto-dimming side mirrors	Power front trunk release
LED rear lightbar	Lockable full-sized spare tire storage	Rivian Portable charger
LED entry lights	Gear Tunnel storage	Tire mobility kit
Lightbar charging indicator	Underbed storage	

## Standard interior equipment

12.3" driver display screen	Garage door opener	Wireless charging for up to 2 phones
15.6" infotainment screen	Panoramic glass roof	6 USB-C charging ports
6.8" rear screen	Heated steering wheel	4 120V two-prong outlet
Rivian navigation	Power tilt and telescoping steering column	100% recycled microfiber headliner
Voice assistance	Dual zone automatic climate control	Integrated door flashlight
Hands-free Bluetooth® interface	Pre-entry climate control	E-latch door release
Heated and ventilated front seats with memory settings	8-way power driver and passenger lumbar adjustment with memory settings	Ignition-free drive

## Standard safety and driver assistance features

6 front-row and 2 side-curtain airbags	Automatic High Beams	Lane Departure Warning
12 ultrasonic surround sensors	Blind Spot Monitoring	Lane Keeping Assist
11-camera surround view system	Forward Collision Warning	Rear Cross-Traffic Warning
Adaptive Cruise Control	Gear Guard Security System	SOS emergency response
Automatic Emergency Braking	Highway Assist	360 View

1. Prices shown do not include all applicable taxes and fees.

2. Actual vehicle capability will depend on selected options and trim. Torque, horsepower, and acceleration timing estimates vary based on battery, tire, drive modes, vehicle load and weather. All range estimates are based on a Dual Standard with 20" All-Season wheel and tire or Dual Large, Dual Max, Tri Max with 22" Sport wheel and tire. Official EPA values are noted — some range estimates are preliminary estimates based on the EPA test cycle and are not official EPA values. The EPA estimates range through a series of standardized lab tests that mimic real world conditions. Factors including tires, drive modes, HVAC settings and accessories can all have an impact on range.
