# Overview of the Hangout Lights

## About the Hangout Lights

The Hangout Lights can be hung from integrated hooks, attached to a magnetic metal surface, or installed on top of the [Travel Kitchen](#). Use the lights in the evenings to illuminate your surroundings as you cook, eat, and relax.

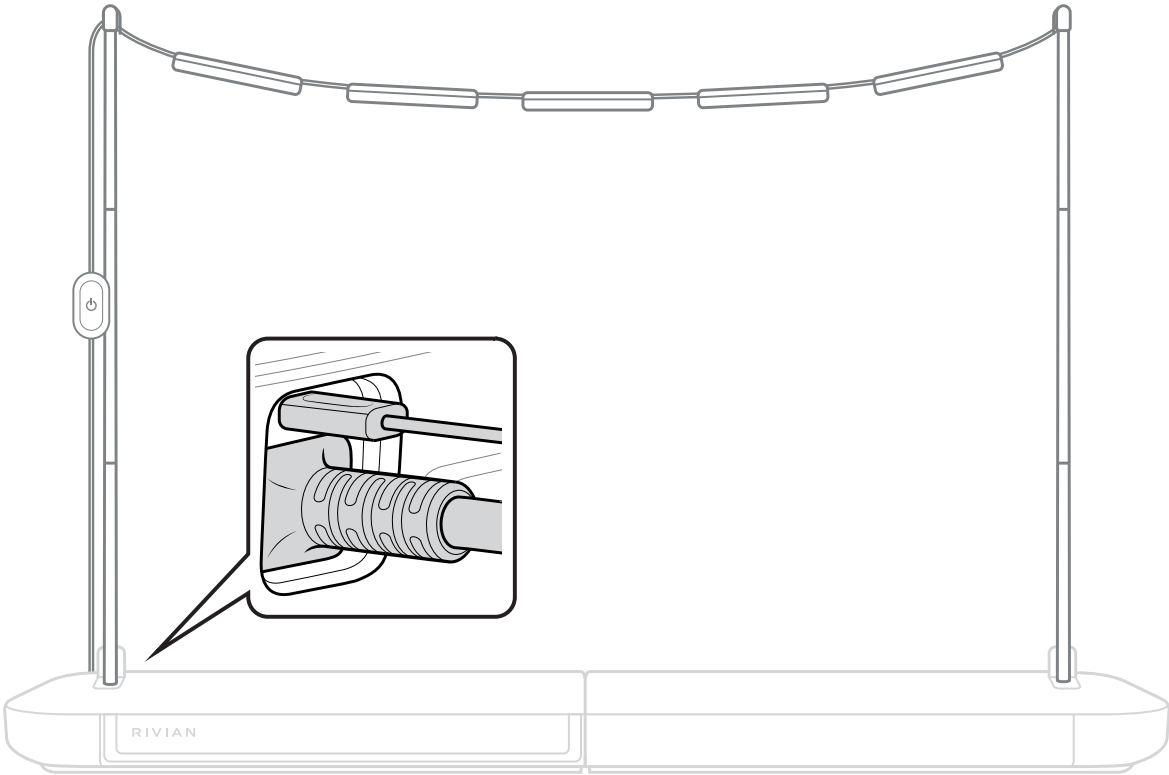

## Overview of the Hangout Lights

---

Item	Name	Description
1	Cord	The cord with lights can extend up to a length of 96 in (2450 mm). Each end of the cord has an adjustable hook. The hooks on the cord attach to the tops of the light poles.
2	Lights, quantity: 5	Each light has a magnetic back.
3	Power button	Use the Power button to cycle through the brightness settings: Low, Medium-Low, Medium-High, High, and Off.
4	Poles, quantity: 2	The poles are adjustable in length and collapsible for convenient storage. The bottoms of the light poles fit into the light pole holders of the Travel Kitchen.
5	USB-C power connector	The USB-C power connector is at one end of the cord and plugs into the USB-C outlet behind the cooktop of the Travel Kitchen or any other USB-C outlet.

# Install on the Travel Kitchen

## Install on the Travel Kitchen

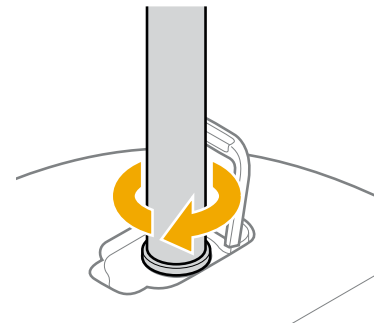

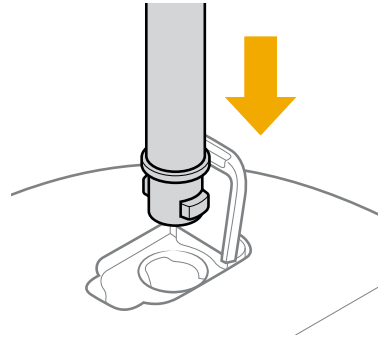

---

1. Lift the covers from the light pole holders on the [Travel Kitchen](#).

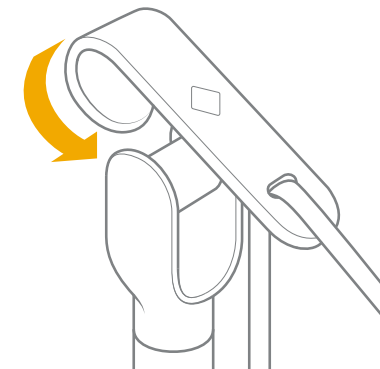

2. For each pole:

- a. Align the tabs at the bottom of the pole with the slots of a light pole holder on the Travel Kitchen.
- b. Insert the bottom of the pole into the light pole holder.
- c. Turn the pole one quarter-turn clockwise to secure it.

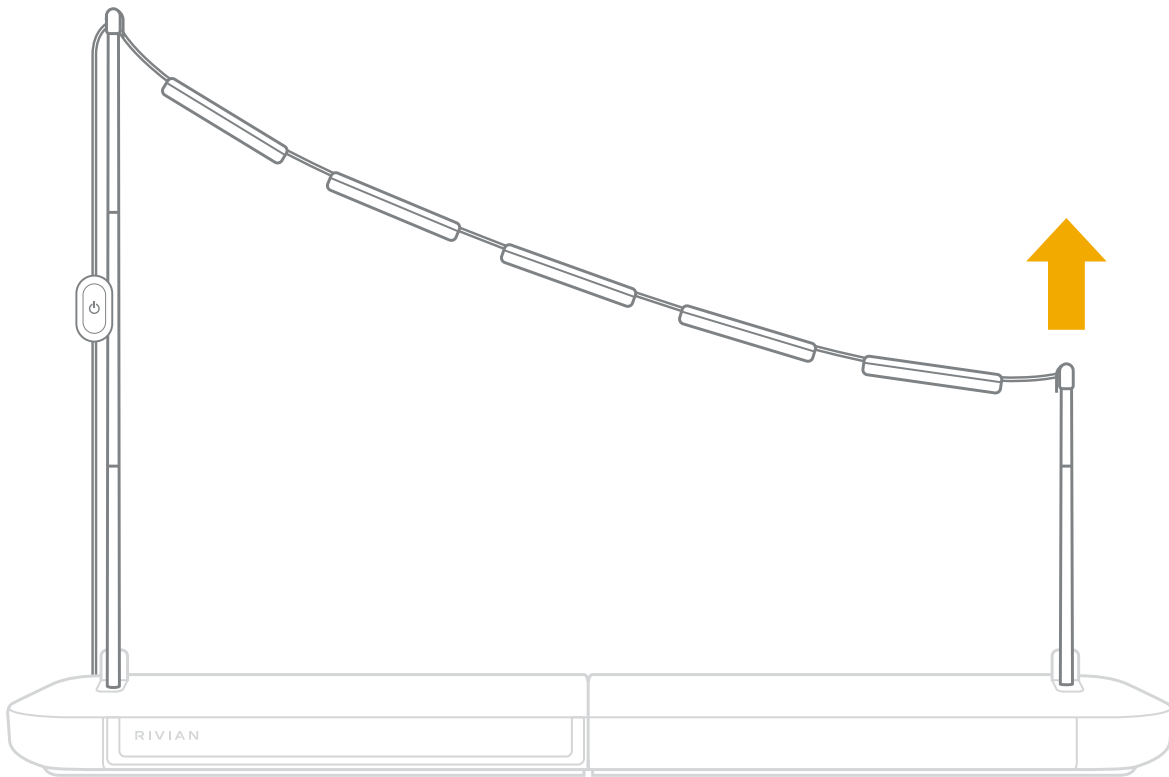

3. Unfold the cord with lights.
4. Attach the hooks on the cord to the tops of the poles. Ensure you attach the end with the USB-C power connector to the pole closest to the 5 V USB-C outlet behind the cooktop.

## Install on the Travel Kitchen

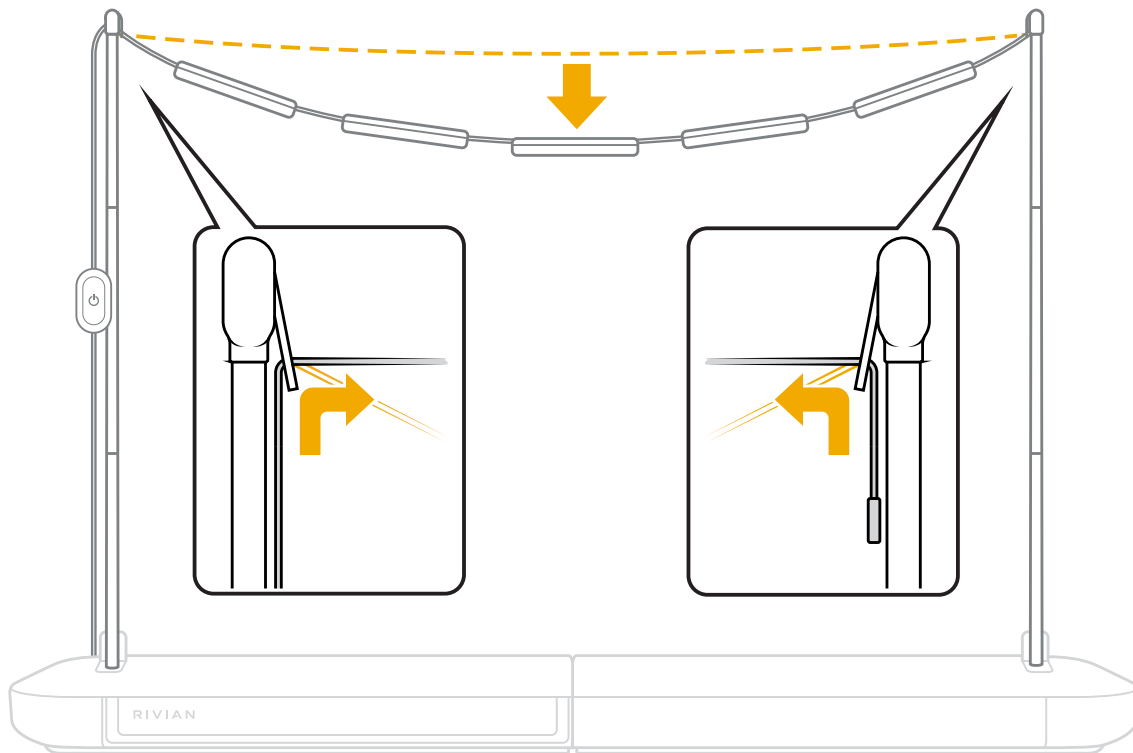

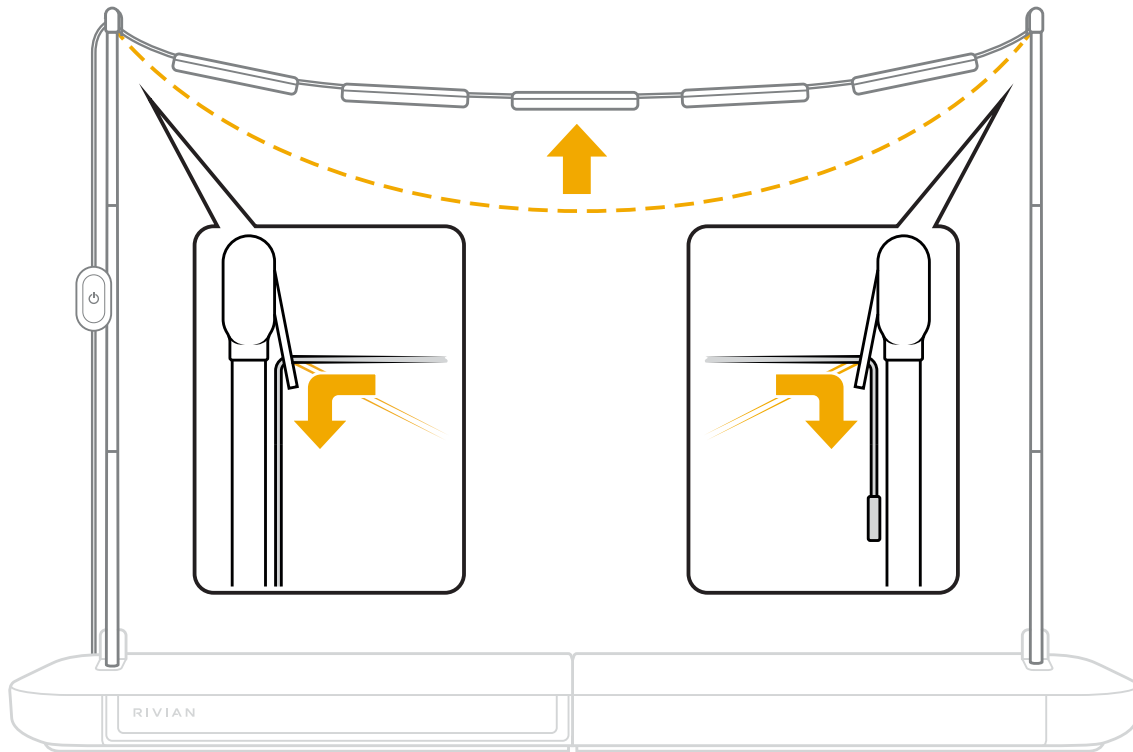

---

5. Extend the poles to the appropriate lengths.

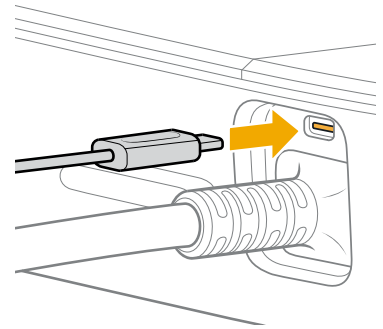

6. Adjust the cord to raise or lower the lights as needed.

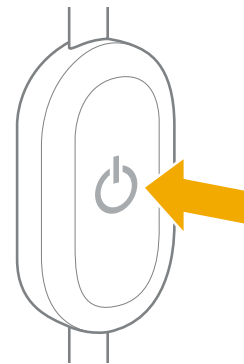

7. Insert the USB-C power connector into the 5 V USB-C outlet behind the cooktop.

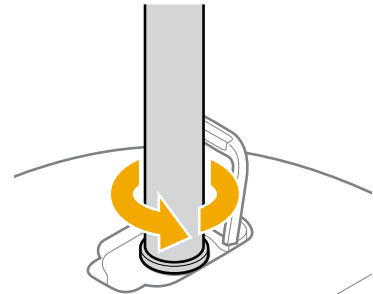

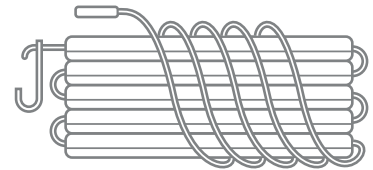

## Use the Hangout Lights

1. Press the **Power** button on the cord to turn the lights on Low.
2. Use the Power button to cycle through the Low, Medium-Low, Medium-High, High, and Off settings.

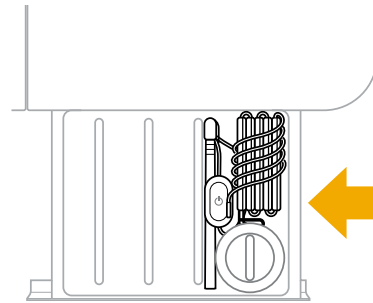

# Stow the Hangout Lights

1. Turn the lights off.
2. Unplug the USB-C power connector from the 5 V USB-C outlet.
3. Remove the hooks on the cord from the tops of the poles.
4. Fold the cord with lights.
5. Collapse the poles.
6. For each pole, turn it one quarter-turn counterclockwise and pull it from the light pole holder of the Travel Kitchen.

8. Stow the cord with lights and poles in a dry location, such as the drawer of the Travel Kitchen.

# Clean the Hangout Lights

1. Turn the lights off.
2. Wipe the lights with a damp cloth.

# Specifications

Item	Value
Number of lights	5 LEDs with magnetic backs
Brightness	Up to 350 lumens
Materials	Thermoplastic elastomer (TPE) cord, Polycarbonate LED housings with earth magnets, aluminum poles
Dimensions of cord with lights, extended (length x width x height)	96 in x 1 in x 0.5 in (2450 mm x 22 mm x 12 mm)
Dimensions of cord with lights, folded (length x width x height)	8 in x 2.75 in x 1.57 in (205 mm x 70 mm x 40 mm)
Dimensions of each pole, extended (length x width x height)	34 in x 0.78 in x 0.78 in (865 mm x 20 mm x 20 mm)
Dimensions of each pole, collapsed (length x width x height)	13.78 in x 0.78 in x 0.78 in (350 mm x 20 mm x 20 mm)
Weight of cord with lights	8.8 oz (250 g)
Weight of each pole	2 oz (57 g)
IP rating	IP64
Power connector	USB-C Power Delivery (PD)
Operating temperature range	14 to 140°F (-10 to 60°C)
Storage temperature range	-40 to 185°F (-40 to 85°C)

# Regulatory Information

## FCC Statement

### CAUTION

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

## ISED (IC) Statement

### CAUTION

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate this equipment.

This Class B digital apparatus complies with Canadian ICES-001.

# Adventure Gear Limited Warranty
